Each student will attend 20 hours of foreign language. This seminar will be organized in small groups (15-20 students) and will focus on case studies and on case-law from Courts of different legal systems. The attendance of these seminars is mandatory and will be required to continue each year, but will give rise to an specific evaluation. On LL.B. III, the seminar will consist in Moot Courts based on real and virtual cases.

LL.B. III - Foreign Language
French speaking students will attend a seminar of legal English. A seminar of French as a foreign language will be organized for the others, with a specific evaluation. All seminar of foreign language will focus on legal issues.

LL.B. III - Humanities and General Culture
The program of LLB from Pantheon Assas University at TALENTS is delivered within the framework of “Médine Education Village”, a unique learning environment which has been designed to create a middle-sized, professionally, pluridisciplinary, university environment, in which to prepare students, committed to general interest and sustainability, especially for the Africa region. In order to do so, the various faculties will organize the students’ agenda in order to leave free, one half day a week, in the same time slot available, room for pluridisciplinary conferences related to general culture subjects, or humanities, history, geopolitics, key trends in some regions of the world. The commitment to leave this time slot reserved to this educational opportunity will enable the mixing of the students population, and the promotion of a wide diversity of pedagogical proposals, set up by the diverse faculties. Thus students will be able to hear about new topics, workshops and areas additionally to their main area of study.

Evaluation: after each semester, students will be evaluated by a written examination on the form of writing an essay on given topics, with choice between a number of topics covering the various conferences which have been proposed.
